A draft letter calling for further
information is pending for approval
(This is intended to clear up the confusion
for that has exist between my rules that
6/3/35 may have been already passed & the
draft rules now received)

The records show that no general
water rates being levied in the City, vide President
Order D-3012 1931 & 283 & 32 B's the D.C. can
so, the proposed enquiry seems unnecessary. The
draft rules now sent may be examined & noted on.

By-laws re water supply - Nanyangud sample

3311

3311

File No

of 193

General and Revenue
Secretariat

Information has since been obtained
that a general water rate at the rate
of two annas in the rupee of the tax
on houses & lands - has been levied in
the Nanyangud sample - it is collected
from 1/1/34

The rules now received have
to be treated as by-laws framed under
Sec 8 (1) (iii) of the Mysore Town
Municipal Regulation & all the formalities
prescribed under the Regulation
have been observed

The by-laws are framed on
those in force in the Tumkur Sam
which - the only difference being that
the provisions relating to the installation
of meters have been omitted in the by-
laws of Nanyangud only

and doubt of a samity is sub-
for approval

Nanyangud Town Municipal Council

By-laws

~~Rules~~ framed by the Nanyangud Town Municipal Council
Regarding the water supply to Nanyangud Town

- 1 No person shall wilfully or negligently -
 - (a) Remove, break, injure or open any lock, cock, valve, pipe work or engine belonging to or under the control of the Municipality in connection with the water supply or
 - (b) Flush or draw off any water in or derived from any such water work or do any act whereby the water in any pipe or water work is likely to be wasted or contaminated or,
 - (c) Obstruct, divert or in any way injure or alter any water main or duct.
- 2 The water supplied by the Municipal Council intended primarily for domestic use and therefore water from a public stand-post or tap shall not be taken for garden irrigation or for building purposes. * el.
all
- 3 No person shall bathe or wash any animal, vehicle, stone or utensils at any public stand post or tap which is not specifically set apart for the said purposes. --
ing
- 4 No person shall do anything to damage or disfigure the stand posts or platforms or to obstruct the free flow of water from the platform. o
on
- 5 No person shall water any animal at any public stand, pipe or cistern except at places prescribed by the Municipal Council for that purpose by notice posted thereat.
- 6 The Municipal Council may at any time after giving previous public notice stop the supply of water whenever it may appear to be unfit for use by public.
- 7 The president or his authorised agent shall have power to stop or refuse the supply in any public main or sub-main for repairs or removals without any notice. But when stoppage is over an extensive area or is due to causes which can be foreseen.

Such previous notice as is possible under the circumstances will be given by general Jan Jan

8 Applications for connection from the public mains are to be made to the president - who is authorised to comply with such requirements by owners of property who are required to lodge with him the cost of the connection as may be estimated for by the Municipal Officers before the work is begun. All applications should be accompanied with a deposit of Rs 25/- which will be adjusted towards the cost of attachment subsequently.

9 Private house service connections ^{which} will be limited to houses paying house taxes of not less than Rs 5/- a year. Can be given without detriment to street service provided there are facilities to make proper arrangements for draining off the waste water to the Municipal drains.

10 Only $\frac{1}{2}$ connection shall be allowed and with a maximum of 3 taps. A fee of Rs 1/- for each connection will be charged per month for dwelling houses. Connections for non domestic purposes such as factories, presses, hotels etc may be allowed at the discretion of the president - and the rate hereof shall be Rs 2/- per month per connection or connections for purposes such as garden, orchard, irrigation building etc shall not be allowed. The word garden does not include garden in the compounds of dwelling houses and cottages.

11 Service pipes to private properties shall be laid only by plumbers duly licensed by the president or his authorised agent on approved plans and specification under conditions and rules sanctioned by the Municipal Council. The final connection between the private service pipes and the public water mains shall not be allowed until the work is inspected and passed by the president or his authorised agent.

(a) No alteration or extension shall be allowed without the sanction of the president and such work shall be carried out only by licensed plumbers.

(b) Repairs may however be carried out by owners of the property after giving intimation to the president of the nature of repairs to be done, the work being entrusted to the licensed plumbers only.

12 The water rate and other charges due under these rules are to be collected by the president of the municipality or his authorised agents quarterly on bills prepared in his office. Owners of houses

or property shall be solely responsible for the payment of all charges due under these rules which shall be recoverable in the manner laid down in Chapter VIII of the ^{Sanitary} Municipal Regulations. Such bills shall be presented by the municipal office before the 20th of the month following the quarter to which they relate. The president may however receive payments from (a) A rent or (b) a tenant.

- 13 In order to facilitate the adjustment of accounts between the owner of a house or property his tenant or occupier the president shall, when required in writing, furnish a memorandum showing the probable charges on account of water rate and other charges for any broken period of the quarter since the preparation of the last bill in his office.
- The president or his authorized agent, at all reasonable times and with the permission of the owner or if permission be refused after giving six hours notice, enter any premises in which there is water connection in order to inspect and examine or repair the same.

- 14 The president or his authorized agent shall have the power to cut off the connections between the private and the public main in any of the following cases:

- (a) In default of payment of the water rate and other charges due under the rules after the same shall have been demanded in writing.
- (b) If any householder who is supplied with water ^{for any other use} ~~for purposes of~~ in violation of the conditions on which the connection is granted, provided that a days previous notice is given in writing.
- (c) In cases of leakages of pipes or other defects in the private service arrangements likely to cause loss to Municipal Council provided 48 hours notice is previously given.
- (d) If water is allowed to run to waste after the owner or occupier has been warned in printed or written notice against following such waste.
- (e) In any case of broken pipes or fittings causing loss of water likely to cause damage to property when such notice as may be possible shall be given.
- (f) In any case of refusal to allow the president or his agent to enter on any land or building for the purposes of inspecting such a pipes, fittings etc.
- (15) The byelaws 2-3-4-5-6-7 and 14 stated above apply to 'Inlets - manholes' to public street fountains which have

have been or may be allowed to be erected at the expense of private individuals for dedication to public use

- 16 Any person infringing any of the bylaws from 1 to 5 inclusive and 10 shall be liable to be punished with a fine not exceeding Rs 50/- on conviction before a magistrate
- - - - -

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE

Read -

Letter No D3 509/35-36 dated the 29th February 1936 from the Deputy Commissioner, Mysore District, requesting sanction to the amendments proposed by the Nanjangud Town Municipal Council in respect of the byelaws for regulating the supply of water to the town, approved in Government Order No I 7006-8/Ml 47-34-54 dated 2/9th April 1935

✓ ORDER No

*L 7344-6***/ml 62-35-31*
Dated Bangalore the 26th March 1936

The amendment proposed in respect of byelaw No 8 of the byelaws viz charging the figure Rs 25 to Rs 15 is approved *

2 The proposal to omit the words viz, " which will be limited to houses paying house tax of not less than Rs 10/-" occurring in byelaw no 9 cannot be approved as the present byelaw is wholesome and the drainage difficulties in the town will not also be thereby a aggravated

3 The proposed addition of a byelaw to the effect that connections and repairs shall be attended to by licensed plumbers is not -- necessary, as the same is provided for in byelaw No 11 The following note will, however, be added thereunder -

Note In this byelaw the term "licensed plumber" means one who has obtained a license from the President of the Municipal Council or payment of a fee of Rs 10/- per annum or part thereof
